

# FABRICATION & TESTING SERVICES

---

Geeding Construction is pleased to offer our customers fabrication, NDT & Hydrostatic testing services in our temperature controlled facility. Our fabrication services include the design, welding, assembly and certified testing of:

- ➔ **PIPING, VALVE AND MANIFOLD ASSEMBLIES**
- ➔ **METER SKIDS**
- ➔ **SCRAPER TRAPS**
- ➔ **PUMP SKIDS**

---

We also offer structural fabrication services including the design, welding and assembly of any configuration of:

- ➔ **CATWALKS**
- ➔ **LANDINGS / PLATFORMS**
- ➔ **STAIRS**
- ➔ **GUARD RAIL SYSTEMS**
- ➔ **PIPING & OTHER SUPPORTING SYSTEMS**

Our fabrication services are not limited to the above, please contact us for any fabrication need.

Our services also include the installation of all of our fabricated assemblies by our trained and qualified employees.

In addition to mild steel welding, we also offer aluminum & stainless welding.
